

Session Name	Description	Days of the Week	Start Time	End Time
	<b>MONDAYS</b>			
<b>Choir/Music K-3 (DCS)</b>	With a focus on the joy of music and group singing, students will learn to sing seasonal and folk songs and prepare performances through fun, interactive music sessions with lots of movement and games involving bells and percussion instruments. We will be building a positive foundation for a love of music, building confidence, and exploring the world through music and song.	<b>Mon,</b>	12:30 PM	1:30 PM
<b>Beginning Guitar 4-8 (DCS)</b>	Students will learn the basics of guitar strings and a few chords so that they can play several easy songs by the end of the term. Each student will need a guitar. If they don't have one, they can buy one at the music store one block away from DCS or at any music store in the area.	<b>Mon,</b>	12:30 PM	1:30 PM
<b>Drama / Theater 5-8 (North Campus)</b>	<p>This enrichment course is a great way to foster your child's enthusiasm for art and theatre. This series focuses on acting skills and improvisational fun, and will expand your child's storytelling abilities through character study, acting exercises and developing performance techniques. In addition to all the creative fun, we will also be working the skills to stay focused and calm in a high pressure environment! Helps meet performing arts standards for these grade levels.</p> <ul style="list-style-type: none"> <li>- Performance date at the end of term for parents/DCS students</li> <li>- Field trip to watch a High School theater performance. High School performance date to be determined!</li> <li>- \$15 material fee for costumes</li> </ul> <p>OFF SITE at our North Campus building in downtown Dallas (where we will be holding Middle School Morning Classes) at 140 SW Clay St, Dallas, OR</p>	<b>Mon,</b>	12:30 PM	1:30 PM
<b>Sign Language (ASL) 1-5</b>	Beginning and continuing sign language students will learn to sign through games and songs, and will learn several useful signs for words and phrases to communicate with deaf and hard-of-hearing members of our community (or with babies, or use it as a secret language with your friends)! We will also try to take a field trip to the Oregon School for the Deaf in Salem so that we can visit and play with their students using sign language.	<b>Mon,</b>	1:45 PM	2:45 PM

<b>Video Making 4-8 (DCS)</b>	Learn the process for making a good informational video, from storyboarding and planning to lighting, framing shots, editing, audio and voiceovers. We will be using iMovie on the iPads to create the videos. Students will also learn about different options for publishing videos and privacy issues they should consider.	<b>Mon,</b>	1:45 AM	2:45 PM
<b>Yoga 5-8 - Advanced / Acro-yoga (North Campus)</b>	Acro-yoga is a combination of yoga and acrobatics. Students learn how to connect, listen and support one another as they try out a new form of movement between the "base", "flyer" and "support crew". Acro-yoga brings excitement, focus and empowerment, as kids build the trust and confidence needed to spread their wings. Anyone who is willing to try something new can participate in this class as the instructor works according to each child's capabilities. Everyone will get a chance to fly and show off their favorite move(s) to parents on the last day of class! OFF SITE at our North Campus building in downtown Dallas (where we will be holding Middle School Morning Classes) at 140 SW Clay St, Dallas, OR	<b>Mon,</b>	1:45 PM	2:45 PM
<b>Sign Language (ASL) 5-8</b>	This is an ASL (American Sign Language) class for students in grades 5-8. Working at a faster pace and learning to sign more stories and songs. We will also try to take a field trip to the Oregon School for the Deaf in Salem so that we can visit and play with their students using sign language.	<b>Mon,</b>	3:00 PM	4:00 PM
<b>Yoga K-4 - DCS</b>	In addition to cognitive/emotional growth, the imaginative yoga flows (a journey through the jungle or life as an octopus) and fun group games aid in stimulating the imagination and building coordination/body awareness in a positive fashion. For more information on Kids Yoga, go to <a href="https://chantalbartonyoga.com/kids-yoga/">https://chantalbartonyoga.com/kids-yoga/</a>	<b>Mon,</b>	3:00 PM	4:00 PM
<b>Kicks for Kids (Martial Arts) 2-8 (OFFSITE)</b>	Kicks for Kids™ is a martial arts program for children ages 6 through 12. Students in Kicks for Kids™ learn Taekwondo, Karate and self-defense techniques. Students have a great time while improving their fitness and gaining traits to benefit them throughout life. Aside from fitness, discipline and self-confidence, students learn the five tenets of Taekwondo. Students will attend this class <b><u>twice per week, on both Mondays AND Wednesdays.</u></b> Helps meet PE standards for these grade levels.	<b>Mon, Wed,</b>	3:00 PM	4:00 PM
	<b>TUESDAYS</b>			

<b>Math &amp; Science through Art 5-8 (DCS)</b>	<p>This two-hour class will combine all the elements of art covered in STEM Through Art, Terms 1 &amp; 2. We will work on three longer-term projects (about three weeks each). Each project will focus on particular elements while including most or all elements we have already covered to some extent, developing the right brain skills and an ability to really “see”. Students will grow in confidence as they produce works of art designed to draw out abilities they may not even know they have.</p> <p>Two hour class with a break from 1:30-1:45</p>	<b>Tue,</b>	12:30 PM	2:45 PM
<b>Bricks4Kids (LEGO) 1-8 - DCS</b>	<p>Lego Engineering - Students will use LEGO® Bricks, axles, pulleys, gears, motors and more to build a variety of models. Bricks 4 Kidz will explore engineering and architectural principles, math and science concepts and will engage in STEM activities. Helps meet science and math standards for various grade levels.</p>	<b>Tue,</b>	12:30 PM	1:30 PM
<b>Advanced (Continuing) IEW (Essay Writing) 5-8 (North Campus)</b>	<p>This continuing, year-long class is for students who have completed Beginning IEW, however, confident 7th and 8th grade writers may enroll even if they have not completed Beginning IEW. This course will reinforce what was learned in Beginning IEW with plenty of writing practice. Students will also learn new models and techniques to bring their writing to the next level. This will be a fun, interactive, year-long class and will prepare students for Middle School and High School level writing projects. Students who wish to enroll for spring term who were NOT enrolled in the fall and winter terms will need to get instructor approval, and would pay a \$60 materials fee.</p> <p>Helps meet state standards for language arts for these grade levels. OFF SITE at our “North Campus” building in downtown Dallas (where we will hold our Middle School Morning Classes) at 140 SW Clay St, Dallas, OR</p>	<b>Tue,</b>	12:30 PM	1:30 PM

<b>Gardening 1-5 (DCS)</b>	<p>Project-based learning at its best! While we are having fun planting and growing vegetable and herb gardens, we will be learning about the scientific method (hypotheses, collecting and recording data and evidence, and writing conclusions), vocabulary around gardening and biology, and natural and sustainable gardening practices (using less water, and how soil and bugs play a role in how plants grow). Tegan Conklin and Becki Gann will be sharing their expertise in horticulture, nutrition, and modern and traditional gardening practices, and we will have some Master Gardeners as guest speakers throughout the term. Helps meet life science standards for these grade levels.</p>	<b>Tue,</b>	1:45 PM	2:45 PM
<b>Intro to Literary Analysis 5-8 (North Campus)</b>	<p>This class will prepare students to explore literature intelligently. By using short stories as models, we will study character, plot, theme, and other literary tools used by authors to communicate their message. Skills gained through this class will allow them to then study any piece of literature (and become better writers). Helps to meet state standards for Language Arts for these grade levels. OFF SITE at our North Campus building in downtown Dallas (where we will be holding Middle School Morning Classes) at 140 SW Clay St, Dallas, OR</p>	<b>Tue,</b>	1:45 PM	2:45 PM
<b>Interval Training 2-5 (OFFSITE)</b>	<p><b><u>TWICE PER WEEK - Tuesdays AND Thursdays.</u></b>  Students will experience functional fitness classes based on their own strength and fitness levels. They will be challenged to learn safety in agility, strength and functional movement skills. These skills will help them grow in physical and mental health throughout their lives. Helps meet PE standards.</p>	<b>Tue, Thu,</b>	1:45 PM	2:45 PM
<b>Art Skills 1-5 - DCS</b>	<p>This class will combine all the elements of art covered in STEM Through Art, Terms 1 &amp; 2. We will work on three longer-term projects (about three weeks each). Each project will focus on particular artistic elements while including most or all elements we have already covered to some extent, developing the right brain skills and an ability to really “see”. Students will grow in confidence as they produce works of art designed to draw out abilities they may not even know they have.</p>	<b>Tue,</b>	3:00 PM	4:00 PM

Interval Training 6-8 (OFFSITE)	<b><u>TWICE PER WEEK - Tuesdays AND Thursdays.</u></b> Students will experience functional fitness classes based on their own strength and fitness levels. They will be challenged to learn safety in agility, strength and functional movement skills. These skills will help them grow in physical and mental health throughout their lives. Helps meet PE standards.	Tue, Thu,	3:00 PM	4:00 PM
<b>WEDNESDAYS</b>				
Creative Writing 1-4 (DCS)	This class will cover elements of good story writing with emphasis on imagination and creativity. Specific writing and editing skills will be used to refine stories. We hope that each student will have a self-published book by the end of the term.	Wed,	12:30 PM	1:30 PM
Choir/Music with Recorders 4-8 - DCS	Learn to read music, sing together in harmony, and play songs on the recorder in a fun and relaxed setting. Music instruction changes the brain! Meets state standards for Music.	Wed,	12:30 PM	1:30 PM
Beginning IEW (Excellence in Writing) 4-8 (North Campus)	Continuing from fall and winter terms, students will develop their informational writing skills as they write on a variety of enjoyable functional and non-fiction topics. Perfect course to start with for the new or reluctant writer. This course is very interactive and strives to make writing fun. The instructor will correct/edit all work and give detailed feedback on each assignment. Helps meet language arts requirements for all grade levels.  This is a year-long class and students who wish to enroll for spring term who have NOT been attending in previous terms will need to get prior approval from the instructor and pay a \$60 materials fee.  OFF SITE at our “North Campus” building in downtown Dallas (where we will be holding Middle School Morning Classes) at 140 SW Clay St, Dallas, OR	Wed,	12:30 PM	1:30 PM
Ballet K-3 (OFFSITE)	Beginning/intermediate ballet for grades K-3 taught at the Dallas Ballet and Dance Academy in downtown Dallas.	Wed,	12:30 PM	1:30 PM

<b>Creative Writing (using Google Docs) 5-8 (DCS)</b>	This class will cover elements of good story writing with emphasis on imagination and creativity. Specific writing and editing skills will be used to refine stories, and we will use the Chromebooks to write stories in Google Docs (and work on some typing skills as well). Each student should have a self-published book by the end of the term.	<b>Wed,</b>	1:45 PM	2:45 PM
<b>Clay / Ceramics K-4</b>	Clay and ceramic have many different roles in our lives and our world. This class will encourage children to consider these connections through projects that encourage creativity and critical thinking while learning various clay hand building skills. Each week of the session will have a different theme, and at each class we will complete a new project that links to the week's theme. We will begin classes with a brief group discussion about how clay relates, both in the world and in our individual lives. Afterwards, children will complete a specific project, letting the ideas we discuss and skills taught guide their creativity. Classes will conclude with discussing our projects and ideas. Clay skills learned will include rolling and attaching coils, sculpting shapes, creating imagery through texture, and working with flat slabs.	<b>Wed,</b>	1:45 PM	2:45 PM
<b>Hip Hop Dance 4-8 (OFFSITE)</b>	Get your groove on with Hip-Hop dance - a combination of modern dance styles and urban music culture that kids love. It's great for developing rhythm, coordination, muscle tone, and synchronization. Helps meet state standards for performing arts and physical education.	<b>Wed,</b>	1:45 PM	2:45 PM
<b>Drama / Theater 1-5 (DCS)</b>	This drama class, with theater instructor Chris Scadden, will focus on the basics of theater and acting, presentation skills, movement, voice, enunciation, improvisation, pantomime, and monologues. We will also be working on some set and costume designing this term. There will be a showcase of some of the skills learned at the end of the class.	<b>Wed,</b>	3:00 PM	4:00 PM
<b>Claymation 5-8 (DCS) with iPads</b>	This claymation class will be co-taught by clay & ceramics specialist, Karen Mahoney, and technology specialist, Monica McQueen. Students will choose a story or myth, make background settings and create clay characters to make a short stop-motion animation video using the iPads. They will learn both creative and technical aspects of making a successful and fun claymation video. This class helps meet state standards of Language Arts and Fine Arts for these grade levels.	<b>Wed,</b>	3:00 PM	4:00 PM

<b>Swimming K-8 (3:00-3:30 OFFSITE)</b>	30 minute swim lessons for beginners through intermediate swimmers K-8. Parents must stay on site at the pool during the whole lesson. Students will be grouped into in small groups of 2-4 students of similar ability levels.	<b>Wed,</b>	3:00 PM	3:30 PM
<b>Swimming K-8 (3:30-4:00 OFFSITE)</b>	30 minute swim lessons for beginners through intermediate swimmers K-8. Parents must stay on site at the pool during the whole lesson. Students will be grouped into in small groups of 2-4 students of similar ability levels.	<b>Wed,</b>	3:30 PM	4:00 PM
<b>Kicks for Kids (Martial Arts) 2-8 (OFFSITE)</b>	Kicks for Kids™ is a martial arts program for children ages 6 through 12. Students in Kicks for Kids™ learn Taekwondo, Karate and self-defense techniques. Students have a great time while improving their fitness and gaining traits to benefit them throughout life. Aside from fitness, discipline and self-confidence, students learn the five tenets of Taekwondo. Students will attend this class <b><u>twice per week, on both Mondays AND Wednesdays.</u></b> Helps meet PE standards for these grade levels.	<b>Mon, Wed,</b>	3:00 PM	4:00 PM
<b>Ballet 4-8 (OFFSITE)</b>	Beginning to intermediate ballet for grades 4-8 taught at the Dallas Ballet and Dance Academy in downtown Dallas by Mr. Michael.	<b>Wed,</b>	3:00 PM	3:55 PM
<b>Art History &amp; Painting 1-8 - Young at Art - (SALEM)</b>	Another great class held at Young at Art in Salem! They will be presenting a different period in art history at each class and creating a painting or other art project based on the styles and techniques used at that point in time. NOTE that this class is 1.5 hours long from 1:00 to 2:30.	<b>Wed,</b>	1:00 PM	2:30 PM
	<b>THURSDAYS</b>			
<b>Lego Robotics 4-8 - DCS</b>	Continuing from winter term, students will learn about more advanced LEGO robot design, engineering and programming and work on presentation skills. Students who would like to join who were NOT in the winter term class will need instructor approval and preferably will already have some coding or robotics experience. This is in preparation for the Fall Term First Lego League enrichment class and team competition.	<b>Thu,</b>	12:30 PM	1:30 PM

<b>Art Exploration K-5 - DCS</b>	<p>Bring out your inner artist! Skills and techniques learned in this class will help students build on their own creative style. Through a variety of drawing and painting projects, we will also learn a little about some influential artists and different styles of art. Covers the following Visual Arts standards: 1. Constructively use and explore materials in creating a work of art or design to communicate an idea. (VA.1.CR1.3) 2. Utilize personal reflection and critical feedback to refine technical proficiency, intentionality, aesthetic judgment and expressive capability. (VA.3.CR3.5)</p>	<b>Thu,</b>	12:30 PM	1:30 PM
<b>Interval Training 2-5 (OFFSITE)</b>	<p><b><u>TWICE PER WEEK - Tuesdays AND Thursdays.</u></b> Students will experience functional fitness classes based on their own strength and fitness levels. They will be challenged to learn safety in agility, strength and functional movement skills. These skills will help them grow in physical and mental health throughout their lives. Helps meet PE standards.</p>	<b>Tue, Thu,</b>	1:45 PM	2:45 PM
<b>Coding Club 1-4 - Computer Programming - DCS</b>	<p>Students will be enrolled in an online coding academy at their grade level and will be able to progress at learning computer programming at their own pace. If they get stuck, the instructor can help them debug! Parents will also learn about lots of other online coding / programming resources that kids can use at home. Excellent for math skills, logic, and problem-solving.</p>	<b>Thu,</b>	1:45 PM	2:45 PM

<p><b><i>No Onsite Enrichment Classes at DCS on Thursdays at 3:00</i></b></p>				

	<b>FRIDAYS</b>			
<b>Piano - 1-4 (Continuing) - SALEM</b>	This Friday class in Salem is <b>continuing</b> from fall and spring terms. An exciting, comprehensive music program for students in 1st through 4th grade, designed to help students discover the world of music through keyboard instruction. Activities include singing, ear training, rhythm instrument activities, keyboard playing, composing and moving to music. Parent participation required. Piano recital in June. Helps meet state standards for music and performing arts for these grades. Students who would like to enroll but who were not in the previous term sessions will need permission from the instructor to enroll in the spring term session.	<b>Fri,</b>	1:00 PM	2:00 PM
	<b>LEBANON CLASSES</b>			
<b>Music / Ukulele (Lebanon)</b>	Learn to read music and play simple, fun songs on the ukulele in this class! Students will need to have their own ukulele (which can be purchased at any local music store in Salem, Albany or elsewhere).	<b>Wed,</b>	11:15 AM	12:15 PM
<b>Spanish (Lebanon)</b>	Learn fun, practical beginning Spanish through active participation in conversation, songs and games.	<b>Wed,</b>	12:30 PM	1:30 PM
<b>Art K-8 (Lebanon)</b>	Learn about art history and styles of art through lessons and of course, lots of art projects! NOTE: Students in grades K-3 will only be in art for the first hour (from 1:30 to 2:30 and then will go to 30 minutes of tumbling with Amber Basting from 2:30 to 3:00. Students in grades 4-8 will stay in art until 3:00 to continue to work on and finish their more complex art projects.	<b>Wed,</b>	1:30 PM	3:00 PM
<b>Tumbling, K-3 (Lebanon)</b>	Tumbling for grades K-3 in Lebanon. All about gross motor skills, balance, coordination, and having fun.	<b>Wed,</b>	2:30 PM	3:00 PM
<b>Cross Fit 1-8 (Lebanon)</b>	Cross Fit exercise classes in Lebanon for grades 1-8.	<b>Thu,</b>	3:00 PM	4:00 PM
